Speaking at the launch, Mr. Nitin Gadkari said, "Knowledge is power and the conversion of knowledge into wealth is the future of this country. I congratulate my friend, Jimmy Mistry, who has launched the World's 1st Business platform called Delia Leaders Club (DLC) to help leaders in the post-pandemic world. The DLC platform will surely create a new vision for the young leadership and entrepreneurship in the world."

Mr. Aditya Thackeray issued the new venture and commented, "My heartfelt congratulations to Jimmy Mistry on the setup of the Delia Leaders Club. Kudos to your creativity! The World's 1st Business Platform will connect organizations and bring the best of the world to our own country apart from social impact. Today with COVID, the biggest impact anyone can have is by way of job creation to sustain families and keep things going, I wish the DLC all the best."

Being a first-generation entrepreneur, Jimmy strongly believes that modern leaders, especially in the post pandemic world, will benefit greatly from the knowledge and experiences from global leaders. His vision for DLC is to create an exclusive and secure global community of leaders that will help each other evolve from a life of success to a life of significance.

"After designing for some of the world's most successful entrepreneurs, corporate professionals, celebrities and socialities over the last 25 years, I observed that they were hungry to learn and stay ahead of the curve. We live in a volatile world and I realised that leaders, across industries, need a support system that will empower them. This platform goes beyond just networking and focuses on knowledge development along with community outreach," said Mr. Mistry, Founder and Chairman of Della Leaders Club.
